## Media Release

### Unified Data-Tech Solutions Limited Nominated for 'Best Performing Listed Company' at ET MSME Awards 2025

**Mumbai, March 23<sup>rd</sup>, 2026:** Unified Data-Tech Solutions Limited ("Udtechs"), among the fastest-growing system integrators in India engaged in the business of Data Centre Infrastructure and Cloud Sector – System Integration, has been **nominated for the prestigious "Best Performing Listed Company" category at the ET MSME Awards 2025**, organised by The Economic Times.

The nomination places Udtechs among a select group of high-growth and high-impact enterprises in India's MSME ecosystem and reflects the company's consistent performance, strong industry presence, and growing contribution to India's digital infrastructure landscape.

The **ET MSME Awards** are among the most respected recognitions in the MSME sector, celebrating companies that demonstrate exceptional business performance, innovation, and leadership across industries. Udtechs' nomination highlights its continued focus on delivering value-driven technology solutions and supporting enterprises in their digital transformation journeys.

Over the years, Udtechs has strengthened its position as a trusted technology partner for enterprises through its expertise in **data centre infrastructure, hybrid cloud, virtualization, networking, cybersecurity, and data protection**. The company's ability to design, deploy, and manage complex IT infrastructure solutions has enabled customers across industries to enhance operational efficiency and build resilient digital ecosystems.

**Speaking on this, Mr. Hiren Mehta, Managing Director of Unified Data-Tech Solutions Limited, said:**

*"We are honoured to be nominated for the ET MSME Awards 2025 in the 'Best Performing Listed Company' category. This recognition reflects the dedication of our team, the trust placed in us by our customers and partners, and our continued commitment to delivering high-quality technology solutions. As enterprises accelerate their digital transformation journeys, we remain focused on enabling them with scalable, reliable, and future-ready infrastructure solutions."*
